SEALOUX[®]
DOORS & WINDOWS

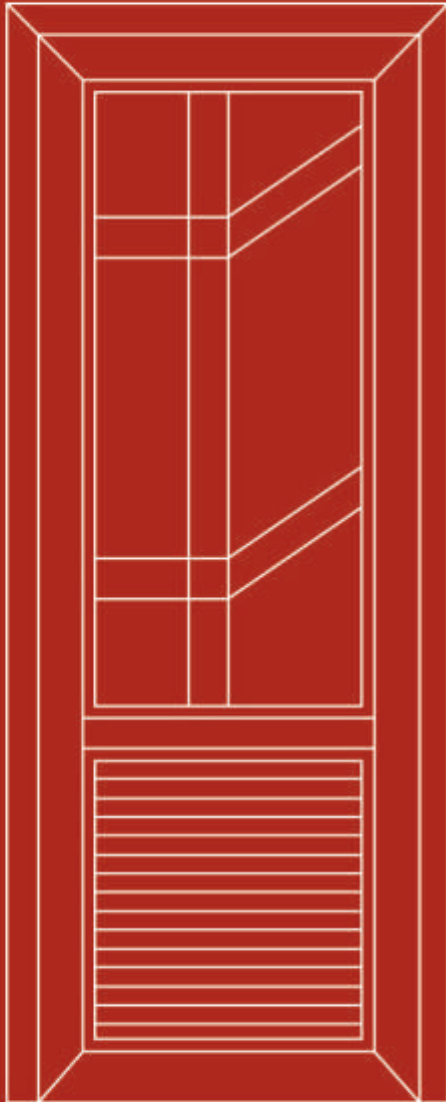

We, Seaoux doors are the highly dignified label in the industry entrusted in manufacture and supply of superior quality interior doors. The Seaoux outcomes are merely focused on the involvement of production of bedroom doors, office doors, kitchen and bathroom doors. We are equipped with advanced technology and highly experienced professional, involved in the manufacturing of our unique premium quality Seaoux doors. It is well known that Seaoux is not compromising on the material quality, beauty, and perfection in our products. Over the past 25 years of experienced history, Seaoux became the pioneers in the wrapped UPVC doors industry. Seaoux introduces the exclusive product, Seaoux UPVC Doors. Its India's first PUR wrapped wood grain mat finish doors. Embraced with the most advanced technology, we developed a variety shades of detailed wrapped UPVC doors. The doors are of US standard export quality with an amazing price value. Contributing to the nature we only use Eco-friendly and recyclable materials for the manufacturing process of doors.

MADE WITH MORE
COLOURS
TO MATCH WITH
YOUR INTERIORS

Seaoux has been a niche player in Kerala's door industry over the past few years. Having our own full-fledged door fabrication units and seven manufacturing units across South India, we are capable to supply high-quality and classy UPVC doors in customized models across the globe. The built element of a Seaoux door is Unplasticized Polyvinyl Chloride (UPVC). The PUR Wrapped wooden finish doors are water resistant, termite proof and fire proof.

With high flexural strength, our UPVC Doors are resistant to water, chemical and fungus. They are easy and fast to install. Our Doors are extremely efficient that are aimed to provide security.
